

*Ride right with Rocky Run.*

**Rocky Run Saddle, Tack & Trailer  
Haul in Coggins, Microchip and Vaccine Clinic  
Saturday January 20, 2018  
1pm - 3pm**

Wisconsin Valley Veterinary Clinic will be on site from 1pm to 3pm for coggins and vaccines. Coggins are \$25, which are digital and vaccines are 10% off normal price. Microchip prices are \$30 which includes registration.

No farm call or mileage fees and you don't need to be a present client of Wisconsin Valley Veterinary Service to participate!!

Bring your dogs and cats to be vaccinated & microchipped as well.  
Please have your dogs on a leash and your cats in carriers.

While you are here, now would be a great time to bring in any saddles or tack that are in need of repair! Also, any winter blankets that have not quite made it through the winter!! We ask that all blankets be cleaned.

Schedule an appointment with Randy to have him check over your trailer before the spring riding season starts!

For more information, please contact Donna at  
715-367-5720 or [randy@rockyrunsaddles.com](mailto:randy@rockyrunsaddles.com)  
You can also contact Wisconsin Valley Veterinary Service  
at 715-675-9402

Hope to see everyone here!!

Located at N5756 County Road J, Gleason, WI 54435
