

**ROCKY RUN SADDLE, TACK & TRAILER
N5756 County Road J, Gleason, WI 54435**

**HAUL IN COGGINS AND VACCINE CLINIC
Saturday, February 23rd, 2019
Saturday, March 30th, 2019
1:00-3:00pm**

Wisconsin Valley Veterinary Service will be on site from 1:00 to 3:00pm for Coggins, vaccine, and microchipping. Digital “color” Coggins are \$25 (\$5 discount) and equine vaccine are 10% off regular price. Microchips are \$30 which includes lifetime registration. No farm call or mileage fees and you don’t need to be a present client of Wisconsin Valley Veterinary Service to participate!!

Bring your dogs and cats to be vaccinated as well. Healthy animals only. All animals **MUST BE LEASHED** at all times (also recommend the cats be in carriers). The cat vaccines (Distemper, FeLV, Rabies) and the dog vaccines (Distemper, Rabies, Kennel Cough) will be \$20 each. Dog Lyme vaccine will be \$25. FeLV/FIV (cats) and Heartworm/Tick Disease (dogs) tests will be \$35. Microchips (cat/dog) \$30 each (includes lifetime registration). You don’t need to be a present client of Wisconsin Valley Veterinary Service to participate—please bring previous records with.

Now would be a great time to bring in any saddles or tack that are in need of repair! Also, any winter blankets that have not quite made it through the winter!! We ask that all blankets be clean when brought in to be repaired.

Schedule an appointment with Randy to have him check over your trailer before the spring riding season starts.
