Kitten Wellness Packages

Our Wellness Packages are designed to set a strong foundation for the lifelong health of your new kitten. Examinations, vaccinations, and a fecal are included and bundled at a discounted price. These plans allow you to lock in this special rate for preventative care services and procedures, ensuring that you are providing your kitten with the best possible care throughout its first year.

PAYMENT TERMS & REFUNDS:

Payment in full is required at time of enrollment. Enrollment must be done at the first visit. Prorated refunds (if no balance on the owner's account is outstanding) or transfer of remaining package to another puppy will only be allowed in the event of the sale or death of an enrolled kitten. The unused portion of the Wellness Package may be transferred to the new owner of the sold kitten if that kitten remains within the practice. Unused services are not transferable to the following year.

No credit will be given if your pet has had vaccines prior to his/her first visit at our clinic.
